What if we could open up the heavens and see the internal works of the spiritual realm with the natural eye? How would that change you? What would it be like to stand next to Jesus and hear Him cast out a demon?

During *The Deliverance of John Doe* Seminar you will be exposed to video clips of actual demons speaking, their thoughts and how they deceive us. You will receive instruction on how to deal with and cast out these demons. Come and gain an understanding of how the demonic work in an individual's life ...lest Satan should take advantage of us; for we are not ignorant of his devices. **2 Cor 2:11**

Nathan Daniel has been ministering in deliverance to the body of Christ for the last 25 years. You will learn how to help the demonically oppressed walk into their God given destiny by leading them in repentance, forgiveness and the renouncing of lies.

**Seating is limited. Please reserve your place ASAP.**

**Warning:** Parental discretion strongly advised. NO children under the age of 16 years should attend (nursing babies must remain in the cry room—due to recording the seminar) Some marital and sexual issues will be addressed. (Child care is not available.)
